BARCODE SCANNER
WITH PISTOL GRIP

Windows 10

Those Barcodes Aren't Going to Scan Themselves

What do you get when you take a powerhouse rugged tablet—like the Mesa 2—and add barcode-scanning capabilities, plus an impeccably designed Pistol Grip? We've done the math, and what you're left with is an ergonomic, efficient, and impressive display of data-collecting prowess, designed to reduce strain and maximize productivity in heavy barcode-scanning applications.

Comfortable, Functional, Versatile

If tracking inventory or other assets is an important part of your work, consider the time savings and reduced fatigue this highly capable tool provides. Not only is it well-balanced and comfortable to hold, the Mesa 2's Pistol Grip also features a two-stage trigger for accurate aim and read. When it's not in use, you can easily tote it around in our Mesa 2 Holster for ready access.

In the office, the Mesa 2 Pistol Grip Barcode Scanner is fully compatible with the M2 Office Dock, allowing for easy docking and charging with no need to remove the Pistol Grip. As if it wasn't already useful enough, the Pistol Grip even doubles up as a convenient desk stand. How's that for being resourceful?

ILLUMIVIEW™ HIGH-VISIBILITY DISPLAY

- Large, 7-inch display for easy viewing
- IllumiView technology provides extraordinary visibility
