

mesa² HAZLOC™

 Windows 10

Work Safely in Hazardous Locations

Introducing... your new office. In a sleek, ultra-rugged package that can go with you into the harshest environments out there. And now you can work in hazardous locations with confidence using the Mesa 2 Hazloc, certified Class I, II, & III, Division 2 to perform safely where explosive gases, liquids, vapors, dusts, or fibers and flyings may be present. So no matter where you're collecting data, you can trust that the Mesa 2 Hazloc will help you get the job done safely and efficiently.

 **JUNIPER**[®]
systems

Mesa 2 Rugged Tablet

Mesa 2 Hazloc not only provides unwavering safety in potentially-explosive environments, but also makes your job easier by eliminating the obstacles that slow you down. Whether you're headed to a petrochemical plant, gas and oil pipelines, a refinery, or another potentially explosive environment, Mesa 2 Hazloc will help you get the job done fast, while keeping you and your data safe.

Contact us today to purchase the Mesa 2 certified Class I, II, or III, Division 2 for hazardous locations.
